Feel Blue or Just Stupid?

Sluggish bowels and torpid liver usually go together and it does not take long for constipation to produce a bad condition-a feeling of languar or laxiness-the "blues," beadaches, palpitation or other malady. Indeed, when in this condition the system invites more serious illness and is not able to throw off disease. Fo'ey Cathartie Tablets are a wholesome laxative and cleaning eathartic. They act without inconvenience, griping or sickening. Sold by City Drug Store.
